Catholic Schools in Queensland  
**(Chorus)**

Catholic Schools, in Queensland  
On life's journey, we share  
Faith and Learning through open minds  
Reaching out, we all can shine

From the red dust, to the blue sea  
From the tropics, to Brisbane city  
Growing, along pathways

The future's yours, we're opening doors, so strive for something more

(Repeat Chorus)

We all have a place  
And a purpose, through God's grace  
A potential, locked inside  
Set free, if we believe in all we can achieve

Living, in the spirit  
Compassion, serving all  
Empowered by the Gospel  
Together we stand tall

(Repeat Chorus)
